

Zack C.Y. Chen

Patent Agent

zchen@foley.com

San Diego

858.847.6761

Zack Chen represents some of the world's leading tech companies and tech startups to secure intellectual property rights worldwide. Zack's practice focuses on patent prosecution and IP strategy. He also advises clients with pre-litigation invalidity and infringement analyses and *inter partes* review (IPR) proceedings before the Patent Trial and Appeal Board (PTAB).

Zack represents companies in patent matters in areas such as semiconductors, nanotechnology, MEMS/NEMS, packaging, CPU, GPU, integrated photonics, image processing, wireless communication (5G, 6G), and biomedical and consumer wearable devices. He brings impressive scientific credentials in electrical engineering and materials science from many years of academic research experience at the University of California, San Diego.
