Patricia Posada is a trusted advisor who represents public and private companies in domestic and cross-border M&A transactions in the United States and Latin America.

She additionally counsels emerging and growth companies in all aspects of the private company lifecycle, from formation through financings and exit planning. Patricia further helps private and public companies, as well as institutional and strategic investors, navigate a range of corporate transactions, including structured investments, mergers and acquisitions, company formation and structuring, corporate governance and investor relations, venture capital raising, and day-to-day corporate matters.
